In short

- When you first visit, we set no cookies until you make a choice. Our consent tool stores your choice in your browser.
- Even before you choose, Google Analytics receives a cookieless signal for each page you view.
- If you accept, Google, Meta, TikTok, impact.com and Intercom can set cookies or load on our pages. If you reject, they do not.
- You can change your choice at any time with "Privacy Settings" in the website footer.

1. Who we are

CMC Markets Funded is operated by True North Tech L.L.C-FZ, a Free Zone Limited Liability Company formed in the Meydan Free Zone, Dubai, United Arab Emirates, with Formation Number 2646504 and Business Licence Number 2646504.01, registered at Meydan Grandstand, 6th floor, Meydan Road, Nad Al Sheba, Dubai, U.A.E. "We", "us" and "our" mean True North Tech L.L.C-FZ.

This Policy covers cmcmarketsfunded.com, the Client Area (client.cmcmarketsfunded.com) and the Partner portal (partner.cmcmarketsfunded.com). Each CMC Markets company is a separate legal entity. If you leave our Website for a CMC Markets site or app, that site applies its own cookie and privacy notices.

2. What cookies are

Cookies are small text files that a website stores in your browser. They let a site recognise your device, keep you signed in, remember your settings and understand how the site is used.

We also use similar technologies: pixels, tags and scripts, and your browser's local storage and session storage. In this Policy, "cookies" covers all of these.

- First-party cookies are set by our own domain.
- Third-party cookies are set by another company's domain, such as tiktok.com.
- Session cookies end when you close your browser. Persistent cookies last for a set time.

3. Your choices in our cookie banner

Our banner, run by Usercentrics, has three categories. Under "Services" you can also turn individual providers on or off.

Category	What it covers	Providers listed in our banner	Can you turn it off?
Essential	Running the site, security, checkout, sign-in and remembering your cookie choice	Usercentrics, Google Tag Manager, Stape, WooCommerce, Elementor	No
Functional	Support chat and embedded content	Intercom, Trustpilot, YouTube Video, Google Fonts	Yes. If you turn it off, the chat window does not load; you can still email support@cmcmarketsfunded.com.
Marketing	Analytics, advertising measurement and affiliate tracking	Google Analytics 4, Google Ads, Meta Pixel, TikTok Advertising, impact.com	Yes

4. What we found on our site

We checked cmcmarketsfunded.com in a fresh browser on 29 October 2026, first rejecting and then accepting all cookies. The tables below list what we saw. Lifetimes are as set at that time and can change when a provider updates its code.

Before you choose, and if you reject

No cookies are set. Our consent tool stores your choice in your browser's local storage:

Name	Provider	Purpose	Lifetime
ucData, ucString, _xsd	Usercentrics	Remembers your cookie choice	Until you clear your browser storage

Google Analytics still receives a cookieless signal for each page you view (see section 5).

After you accept

Name	Set by	Provider and purpose	Category	Lifetime
_ga	cmcmarketsfunded.com	Google Analytics: tells visits apart	Marketing	400 days

_fbp	cmcmarketsfunded.com	Meta: identifies the browser for advert measurement	Marketing	90 days
lastExternalReferrer, lastExternalReferrerTime (local storage)	cmcmarketsfunded.com	Meta: records the last site that sent you to us	Marketing	Until cleared
_ttp	cmcmarketsfunded.com and tiktok.com	TikTok: identifies the browser for advert measurement	Marketing	90 days
_tt_enable_cookie	cmcmarketsfunded.com	TikTok: checks that cookies can be set	Marketing	90 days
ttcsid, ttcsid_[pixel ID]	cmcmarketsfunded.com	TikTok: session measurement	Marketing	90 days
tt_sessionId and other tt_ entries (session storage)	cmcmarketsfunded.com	TikTok: session measurement	Marketing	Until you close the tab
IR_57995, IR_gbd	cmcmarketsfunded.com	impact.com: affiliate tracking	Marketing	Session
IR_PI	cmcmarketsfunded.com	impact.com: affiliate tracking	Marketing	365 days
brwsr	sjv.io and ojrq.net (impact.com)	impact.com: affiliate tracking	Marketing	365 days
irtps	sjv.io (impact.com)	impact.com: affiliate tracking	Marketing	1 day
cmc_impact_click	cmcmarketsfunded.com	Our own cookie: records the affiliate click that referred you, so the right affiliate is credited	Marketing	30 days

When you accept, our pages also send requests to Google's advertising services (doubleclick.net and google.co.uk), to Meta and to TikTok, and they load the Intercom chat window.

Other cookies you may see

Our check could not cover every situation. You may also see the following. Their names and lifetimes are set by those providers and can change.

- **Sign-in and checkout.** WooCommerce and WordPress set cookies when you add a challenge to your basket, check out or sign in, so that your basket, order and session work.
- **Client Area and Partner portal.** No cookies are set before you sign in. After you sign in, a session cookie keeps you signed in.
- **Order attribution.** WooCommerce may set cookies with names beginning sbjs_, which record which campaign, website or partner referred you to us.
- **Support chat.** Intercom sets cookies with names beginning intercom- once the chat window starts, if you have accepted Functional cookies.

- **Embedded content.** Trustpilot, YouTube and Google Fonts may set cookies on pages that embed them, if you have accepted Functional cookies.

5. Google consent mode

We use Google consent mode. Before you make a choice, and if you decline Google Analytics, the Google tag on our pages still sends Google Analytics a cookieless signal when you view a page. It includes the page address and details of your browser, and Google receives your IP address with it. It does not set or read a Google cookie. Google Analytics cookies are set only if you accept them.

Our tags are delivered from our own address, ss.cmcmarketsfunded.com, through Stape.

6. Purchases reported from our servers

If you buy a challenge and have accepted the relevant marketing services, our servers report the purchase to Google Analytics and Meta. Meta receives your email address in hashed (scrambled) form and your browser's Meta identifiers, so it can match the purchase to an advert. If you did not accept a service, our servers do not send it your purchase.

7. Third-party cookies

Third parties set cookies only when their service loads on our pages, and we load optional services only after you accept them. Once a third-party cookie is set, its provider controls it under its own policy. If you go to another website, including a CMC Markets site, that site controls its own cookies.

8. How to change your choice

Select "Privacy Settings" in the footer of any page of the Website. It reopens our cookie banner, where you can switch categories or individual providers on or off. Changes apply from then on.

You can also delete or block cookies in your browser settings. If you block essential cookies, parts of the Website, checkout or the Client Area may not work. Your choice is stored per browser and device, so you may be asked again on a new device, in a different browser, after clearing cookies or in private browsing.

9. Personal data and your rights

Where cookie data can be linked to you, your account or your device, we treat it as personal data under our Privacy Policy, which explains your rights and how to use them.

10. Changes and contact

We update this Policy when our cookies, providers or the law change, and we change the date at the top.

To ask about cookies or use a privacy right, email support@cmcmarketsfunded.com or write to True North Tech L.L.C-FZ at the registered office shown at the top of this Policy. Please give your full name, the email address you use with us and what you are asking for.
